

Soldier

Chief Keef

Ayy, bang bang
I need a S-O-L-D-I-E-R
We was goin' hard like Mardi Gras
He thought he was hard, thought he was...

I need a soldier
One to keep mouth closed if shit go down
I need a soldier
One to hop in my car, let's ride around
I need a soldier
Freak up in the sheets, outside smoke loud
I need a soldier
When we havin' sex, moan, yeah I'm so loud
I need a soldier
Baby girl, you're wild, girl, chill out (Need a soldier)
I need a soldier
Don't turn up, go sit your dumb ass down (I need a soldier)
I need a soldier
Come outside any day, at night doin' work (I need a soldier)
Can you be my soldier?
No matter what I do you can't go hurt (Will you be my soldier? Soldier)

S-O-L-D-I-E-R
I'm off the trees, bitch, I see stars

Tried to take my bitch but she plea her part
She don't like busters, she don't like suckers
She don't like niggas, leave 'em with their mothers
Police come, she sayin' nothin'
I know that I can trust her, don't know if I can love her
O-P-P's come, I ain't sprayin' nothin'
She so quick to bust 'em, she so quick to touch 'em

We so quick to dust 'em, we so quick to dub 'em

I need a soldier
One to keep mouth closed if shit go down
