

# Take Me Down

Chief Keef

I hope these drugs don't take me down  
I pray to God that I will wake from this sleep that's so sound  
I make Ross makes all these rounds  
When I get high on these drugs cause I hate being down  
Me and my brothers will always ride around town  
Looking for the next hoe we finna take down  
I hope these drugs don't take me down  
I hope these drugs don't take me now

Laid back while I fuck up this rocks  
Laid back then I flexing like that  
Paid up if you over with that  
Me broke, oh no never that  
Just when I tell you all to pay  
[?] give me some pay  
Ya'll I'll be drinking no ebonomay  
I'll be so high, I don't care what they say  
Getting this chicken?  
You should be hustling but with you I will stay  
You looking for me well I am way up ahead  
I'll be so high man I'm so close to dead

Smoking on water trying to clear my head

Pour me a cup of the purp and the red

I hope these drugs don't take me down  
I pray to God that I will wake from this sleep that's so sound  
I make Ross makes all these rounds  
When I get high on these drugs cause I hate being down  
Me and my brothers will always ride around town  
Looking for the next hoe we finna take down  
I hope these drugs don't take me down  
I hope these drugs don't take me now

How [?] ain't smoking much  
I take off on them and leave them in the dust  
There is no man that I feel I can trust  
Give me my goods a little bust  
I be trip talking and I don't give a fuck  
I feeling yuh popping out the cuts  
Getting this cash is a must  
Hope I don't die  
I just love drugs and I can't get enough  
Give me more and I love me the stuff  
She been turned on and she fuck me for drugs  
I got it, she want it, I give it to her  
Take it she want it, [?] it to her  
She high, she blowing [?]

Ain't no care that she hurt

I hope these drugs don't take me down  
I pray to God that I will wake from this sleep that's so sound  
I make Ross makes all these rounds  
When I get high on these drugs cause I hate being down  
Me and my brothers will always ride around town

Looking for the next before we finish take down  
I hope these drugs don't take me down  
I hope these drugs don't take me now
