

# Thotty Party

Chief Keef

Feel like I'ma old man  
Feel like I'ma

Feel like I'ma old man  
I've been doing this shit a long time  
I've been on my grind a long time (bitch)  
Don't know why I'm never on time (never on time)  
'Cause I got a watch, this bitch shining (shining, bling blow)  
Tracked all the thotties (tracked all the thotties, thotties)  
Run with the [?], come on (running with them)  
I'm finna have a thotty party

My wrist, it look like potty  
My chain look like potty  
I'm sitting here, looking at this thotty  
Tryna see if I wanna pipe it  
Turn my Beamer to a skittle  
I think I need to cut my ceiling  
Turn that bitch to a drop X6M  
I see it and I'm coping it, or them  
Riding in that foreign, finna make a film  
Finna make a movie, finna make some bands  
Spend a couple bands on that Mercedes-Benz  
MG kit, riding fast, tryna break a [?]

I'ma old man  
I've been doing this shit a long time  
I've been on my grind a long time (bitch)  
Don't know why I'm never on time (never on time)
