

# Tomorrow

Chief Keef

(ItssMoneyy, bitch, you dun know)

Tomorrow, stu' tomorrow (Same thing)

Tomorrow

Tomorrow

Tomorrow

Tomorrow, I'ma hit the stu', tomorrow, I won't say a thing

'Cause there's too many niggas waitin' on tomorrow to tell on me

Tomorrow, I'ma hit the stu', tomorrow, I won't say a thing

'Cause there's too many niggas waitin' on tomorrow to tell on me

Tomorrow, I'ma fuck your bitch, tomorrow, I'ma buy a chain

Depends on if you live, you can do a lot of things

Tomorrow, tomorrow

Niggas got any problems, we will solve 'em

I bought some guns today to shoot tomorrow

Life is all about who tomorrow, tomorrow

I got a bitch named Tamara

Baby, I'ma get some kicks made tomorrow

Niggas be like, "I ain't bitch-made," yesterday

To show you that they bitch-made tomorrow

I can turn a model to a thot

And I can turn a thot into a model

I can have niggas runnin' down your block

I ain't say today, they'll wait until tomorrow

I got a clip full of hollows

And it's long, I be shootin' 'til tomorrow

Today is not yours, it's tomorrow's

'Cause I might fuck your bitch tomorrow

Tomorrow, I'ma hit the stu', tomorrow, I won't say a thing

'Cause there's too many niggas waitin' on tomorrow to tell on me

Tomorrow, I'ma fuck your bitch, tomorrow, I'ma buy a chain

Depends on if you live, you can do a lot of things

Tomorrow, tomorrow

Niggas got any problems, we will solve 'em

I bought some guns today to shoot tomorrow

Life is all about who tomorrow, tomorrow
