

Twelve Bars

Chief Keef

Twelve million, it's just me and twelve chillin'
Think I got bout twelve children
Think I got bout twelve million
I think I got bout twelve cars
Bitches like cause I'm a star
I can buy bout twelve bars
So twenty bitches get twelve bars

I'm off twelve bars
Drivin' twelve cars hella fast
I met twelve stars
That was twelve blunts, gettin' high

Throw them pounds bitch, I need twelve large
I just picked up bout twelve thots
Need it go and buy twelve cars
This shit isn't easy, ain't that damn hard
My money so, go so damn hard
Gotta do it cause my famlar
Once you walk in the club buy twelve bottles
Niggas try me, give em twelve hollows
