Nigga where your shooters at?
They ain't shootin at nobody, I know
Squirt you with that FN
Put his face on forgiatos, I know
Running from the cops bitch
I'm ducking pot holes, I know
I just got a ruger pack
Two 22's and two Glock 40's, oh

Had to spin the Bitch like whoo
Swear that money my boo
Riding round with my tool
This is what I do
I just been looting that loot
This bitch wanna give me that coupe
Ain't even what I'm Tryna do
Bitch won't give that top
What the fuck wrong with you
Only fix shit I shoot
Ask questions later, that too
Up this mofucking Glock
Little D-Low with that jewel
Up with your mofucking crew
Cause they wasn't down for the shoot
