

## X-Men

Chief Keef

Cyclops, Wolverine, Storm, Magneto  
Pull up like Professor X and I got my grey jeans on  
I ride up like Iceman, I hop out like Sabertooth  
I come through like Rouge, boy I ain't finna play with you  
X-Men, X-Men, X-Men I think I'm with X-Men  
I think I'm with the X-Men, I'm a X-Men member, nigga I'm a X-Men member

Since you blue you can be Raven Mystique  
This bitch told how she's licking on me  
Bitch I'm Pyro therefore heater on me  
Can't trust a bitch she do you like Jubilee  
I don't care if she's fine as Jean Grey  
I know she got that kitty [?] she gon' let me bang  
That bitch is a lady death strike  
You should know X-Men like left right

Cyclops, Wolverine, Storm, Magneto  
Pull up like Professor X and I got my grey jeans on  
I ride up like Iceman, I hop out like Sabertooth  
I come through like Rouge, boy I ain't finna play with you  
X-Men, X-Men, X-Men I think I'm with X-Men  
I think I'm with the X-Men, I'm a X-Men member, nigga I'm a X-Men member

Bitch says that she's bad I'm like stop it  
That's like saying Batman versus Robin  
I know we talking X-Men, but I'm gonna switch it over  
I pulled up laughing like Joker your bitch she doing yoga  
I know that I'm a X-Men, ain't I?  
But my car got a Batman fender  
That bitch I been hit that man  
I got her in my car and she hopping out like she got some Batman in her  
I come through Kamehameha like Goku  
I'm flexing like Gohan at the damn photo shoot  
If I turn to Piccolo you tofu  
Bitch my name Vegeta I don't know you  
This the trilogy and you the last man standing  
The days of future passed you's a damn origin  
My life's a movie, wide screen  
I think I got a X on my time piece

Cyclops, Wolverine, Storm, Magneto  
Pull up like Professor X and I got my grey jeans on  
I ride up like Iceman, I hop out like Sabertooth  
I come through like rouge, boy I ain't finna play with you  
X-Men, X-Men, X-Men I think I'm with X-Men  
I think I'm with the X-Men, I'm a X-Men member, nigga I'm a X-Men member
