

## Yeah Now

Chief Keef

Yeah, yeah, yeah yeah yeah (4x)  
Yeah, I spend that guap, yeah, yeah  
Yeah, I fucked your thot, yeah yeah  
She say I'm cute but I get that a lot, yeah yeah  
Baby I'm almighty so flexing like yeah yeah

If you flexin' then just join me  
But please do not disappoint me  
Tryna flex up on me, you'll be disappointed  
Roll up to the spot, ten pounds of that funky  
I don't smoke that reggie doe  
Got that 93 octane, Texico  
Got some shootas out in Mexico  
Pull up, get that check then go  
Three thousand dollar bag, what is it inside?  
Twenty G's on my True Religion pants  
Don't sell that bullshit, I ain't gon' buy it  
For that cash, yeah I hop up in my car outside  
Catch you slippin', catch your thot outside  
Tell your thot to hop up in my ride  
Now we cruising gettin' high  
She told me you was just lyin'
