

Count Me Out

Chiild

Don't count me out, 'cause I'll come back
Don't count me out, 'cause I'll come back (Swingin, swingin)
Don't count me out, 'cause I'll come back (Swingin, swingin)
Don't count me out, 'cause I'll come back (Swingin, swingin)

Can't feel my hands, but I got you
What's mine, that's yours, ya
Head underground, got work to do
And I know in my soul, that I'm on to something good
I'm in repair, looking for truth
And I'll find my footing soon
Pave a road that leads to you

Don't count me out, 'cause I'll come back
Don't count me out, 'cause I'll come back (Swingin, swingin)
Don't count me out, 'cause I'll come back (Swingin, swingin)
Don't count me out, 'cause I'll come back (Swingin, swingin)

Try put me down from where I'm at
I'm up now, you still know the way to
Put me on the ground, don't make me snap
But I don't need your faith, I don't need nothing
You won't see me frown, the fuck is that?
And all I ever did was dodge the punches
You'll look like a clown when I come back

Don't count me out, 'cause I'll come back
Don't count me out, 'cause I'll come back (Swingin, swingin)
Don't count me out, 'cause I'll come back (Swingin, swingin)
Don't count me out, 'cause I'll come back (Swingin, swingin)
