

# Sleepwalking

Chiiild

How does it feel walking fast asleep  
Under the moonlight  
Don't know what's real or what's fantasy  
Under the moonlight

How does it feel walking fast asleep  
Under the sunlight  
Open your eyes, it's okay to dream  
Under the sunlight

Darling, we're sleepwalking  
Sleepwalking  
Darling, we're sleepwalking  
Sleepwalking

It's starting to haunt me  
Darling, you're fast asleep  
Under the surface  
Above reality

It's starting to haunt me  
I see a masterpiece  
Under the surface  
Above reality

How does it feel walking fast asleep  
Under the moonlight  
Don't know what's real or what's fantasy  
Under the moonlight

How does it feel walking fast asleep  
Under the sunlight  
Open your eyes, it's okay to dream  
Under the sunlight

Darling, we're sleepwalking  
Sleepwalking  
Darling, we're sleepwalking  
Sleepwalking  
Darling, we're sleepwalking  
Sleepwalking  
Darling, we're sleepwalking  
Sleepwalking
