

Surfing The Silver Linings

Chiiild

Don't fuck with my peace
Oh, don't hurry my pace
Oh, don't damper the mood when you see the sage burning
Don't pull me down by the roots when you see me levitating

Riding a high like this
Surfing the silver linings
Don't fuck with my bliss
Don't fuck with my bliss
Riding a high like this
Surfing the silver linings
Don't fuck with my bliss
Don't fuck with my-

Pleasure
Fuck the pain
More kisses for Mary Jane
Don't need a reason to celebrate
Live every day like my birthday 'cause I'm

Riding a high like this
Surfing the silver linings
Don't fuck with my bliss
Don't fuck with my bliss
Riding a high like this
Surfing the silver linings
Don't fuck with my bliss
Don't fuck with my bliss
Riding a high like this
Surfing the silver linings
Don't fuck with my bliss
Don't fuck with my bliss

Everything is gonna be alright
