

Nasty Side

Chikinki

You said to me you're like a dirty seed, blossom into a tree
Well, let me sow your seed. Let me see it grow. I really want to know

You say it all builds up inside and then you let it all out
I want to see how I want to see you break down I want to see you scream and shout. Let's go!

I'm yet to see your nasty side
Will it make me scream and cry?
I'm already hooked to your nasty hide
Will it make me want to die?
I'm yet to see your nasty side
Will it make me scream and cry?
I'm already hooked to your nasty hide
Will it make me want to die?
I don't care about all your mistakes. (Die!)
I don't worry about all your disgrace. (Die!)
No

I've let my passion turn to aggression too many times
I know it's not right but I'm a sensitive type. I let it all out!
But you're not yet to see what can happen to me
Ooh temper temper will get to you. I've got a pretty good idea
what you going do! I said:

I'm yet to see your nasty side
Will it make me scream and cry?
I'm already hooked to your nasty hide
Will it make me want to die?
I'm yet to see your nasty side
Will it make me scream and cry?
I'm already hooked to your nasty hide
Will it make me want to die?
I don't care about all your mistakes. (Die!)
I don't worry about all your disgrace. (Die!)
I don't care about all your mistakes. (Die!)
I don't worry about all your disgrace. (Die!)
