

When You Rise

Childhood

Touch the sun when you rises,
Recognize how you fall into pieces.
All this strife you revive
A thousand lie and you're falling
We are, we are
We are, we are
We are, we are looking forever.

Touch the sun when you rises,
Recognize how you fall into pieces.
You and I we'll be forever
You and I we'll be forever...
Sometimes you need no shelter
Sometimes you need no shelter
For those things you do not care for!
For the things you did not care for!
Oh, oh, oh, oh
Oh, oh, oh, oh

You and I we'll be forever...
Sometimes you need no shelter
For those things you do not care for!

Touch the sun when you rises,
Recognize how you fall into pieces.
Touch the sun when you rises,
Recognize how you fall into pieces.
Touch the sun when you rises,
Recognize how you fall into pieces.
Touch the sun when you rises,
Recognize how you fall into pieces.
