I ain't your ordinary nigga Look around, this ain't what ordinary gets ya

Bam-B, the one like Neo You didn't see it comin, reverse Miss Cleo I'm C-P30, or better yet Anakin when it comes to lightsabers that I'm handlin I used to be king of the whack look Now I stay king of the MacBook Yes MacBook, where you write your numbers down Yeah boy, I got girls in and out of town You got it wrong like saying OJ, IJ Stop the rumors; Asian girls don't got sideways I gotta fuck every shade of latte I gotta flow like my mouth to Kanye's These niggaz think that I'm playin I ain't sayin nothin I'll fuck your girl on the burner, I'm so top stuffing You can't stop nothin, I'm (The Juggernaut) That's why your B's sweet on me like I'm butterscotch Yeah we run a lot, boy the Track Runners here I'm Elroy we jet sun out the atmosphere Let me make it clear, I'm your inner fear And I'm taking over please don't interfere

Ungh! I'm the streets desire
You gettin too old man, please retire
Don't make me carry you like I'm liar liar
Bring the heat like a monster, I'm (Elmo's Fire)
I'm too busy spittin shit with a socialite
I'm too busy sittin bitch with some model types
Yes sir, my girls look like Rihanna twice
with some packed bags, yeah, they ain't goin home
tonight

Get your camera phone, prove you seen me or else you'll be with friends like "Please believe me!"

I'm (All That), I am (Kel and Kenan)
Nigga I come hard like I'm filled with semen
These rappers bore me, gun talk with black clothes
Y'all let me know when y'all let 1998 go
Y'all niggaz scared to grow! I'm never scared to go
anywhere that's new I go outside y'all niggaz stay at
home

But that's alright dude; I'm a special guy
Y'all been wantin to rap since you were ankle high
And I've been wantin to rap since like what, '05?
Do the math man, how are you one of the best alive?
Bam-B, yes me, best out there
Tryin to get universal like healthcare
So fresh, so clean, like a new pair
When you get to the top, what'cha do there?
