## **Seasons Changing**

## **Children Collide**

Everybody's hooking up for the winter They don't want to be alone in the cold We all burnt ourselves out in the summer Wasted, wasted the spring of our lives Season's changing regrets on the other side Fall away and climb to safety Season's changing regrets on the other side Fall away and climb to safety

Everybody's hooking up for the winter They don't want to be alone in the cold We all burnt ourselves out in the summer Wasted, wasted the spring of our lives Season's changing regrets on the other side Fall away and climb to safety Season's changing regrets on the other side Fall away and climb to safety

Season's changing regrets on the other side Fall away and climb to safety Season's changing regrets on the other side Fall away and climb to safety
