

Skeleton Dance

Children Collide

I feel anonymous anonymous anonymous in here
In this conspiracy conspiracy conspiracy of fear

I wanna see the top, I want you to stop
I wanna see the top, I want you to stop

I feel anonymous anonymous anonymous in here
It is a market is a market is a market like a prayer
And nobody and nobody and nobody is aware

I wanna see the top, I want you to stop
I wanna see the top, I want you to stop
And nobody and nobody and nobody is aware

You're just another drop in the ocean
But you wanna be a star in the sky
We are we are we are anonymous
Drop in the ocean star in the sky

In the water in the water in the water it's a crime
And in the mirror in the mirror in the mirror I'm a liar
I wanna see the top, I want you to stop
I wanna see the top, I want you to stop
And in the mirror in the mirror in the mirror I'm a liar

You're just another drop in the ocean
But you wanna be a star in the sky
We are we are we are anonymous
Drop in the ocean star in the sky

You're just another drop in the ocean
But you wanna be a star in the sky
We are we are we are anonymous
Drop in the ocean star in the sky
