

Needled 24/7

Children of Bodom

Since day one I've been crass and far beyond.
I couldn't laugh, I couldn't cry...
Before you judge me, take a look at yourself.
Condescending, outlivin' in a lie..

Despite all the pain in my heart grinding through,
It ain't due that you hate what I hate what you do

Despite all the piety you've been consuming thus far,
A backstabbing motherfucker to the bone is what you are

And everyday when the knife in my back starts to twinge n' turn
,
My eyes are catching fire and my heart starts to burn.
A foot away from you is like a bit closer to heaven,
Then again it's like being needled 24/7

You look down to me to see the scum of the earth to be.
Fuck yeah, that's me, vile and obscene.
I ain't happy about it but at least I don't judge and decree
To be better than another human being.

Everyday when the knife in my back starts to twinge n' turn,
My eyes are catching fire and my heart starts to burn.
A foot away from you is like a bit closer to heaven,
Then again it's like being needled 24/7

Despite all the piety you've been consuming thus far,
Can anyone, somebody tell me what the fuck is going on?

Everyday when the knife in my back starts to twinge n' turn,
My eyes are catching fire and my heart starts to burn.
A foot away from you is like a bit closer to heaven,
Then again it's like being needled 24/7

Death? What do you all know about death?
