ChillinIT

Hmm

Haha

Whoo

Haha

Ladies & gentlemen

Mickey on production, Chillinit on the vocals

You've been tuned into a hip hop history lesson

Are you really about your hip hop?

Catch each reference, who can count em?

Keep em up

If she wants to get busy, baby bone with a thug & that's all harmony

She mobbin with the deepest of lovin' that be bizarre to me

The proof is in the havoc, & [?] but only part of me was shook

I knew she's the one who's conniving artistry

I, pass the sesh got Das EFX up on the screen

Rule this world like Nas cassettes

Cause [?] could get so dizzy [?]

Lemme inspect ya, Kool G bars & sets & I connect ya

I'm gettin high off the cabbage

So you better take 5 like Jurassic & my mind be so magic

And if Jada wants the Smith, ride the carriage

Get the Will, blow a kiss, I'm a savage when the hips swing

I keep a KR, yes, I be the one, my buds are big like Pun

Pimp see, your corrupted like Nate

I told your bitch to come & puff my J

And we can catch a few Z's when they push me off the tee

Because the kids be cutty, day & night I'm in the streets

I'm Akon with the pain like T, in the West like Ye

The whole world is getting cold like J, Dreamville

I could Jam like Pearl or let it bang like my shotty

Only fuck her if she's workin on her body

And if Ja Rule the world get him Schmurda'd like Bobby

10: 30, gettin dirty that's Christina in the lobby

And nah this ain't no hobby

I swear to God I rock the DJ like Robbie

And I need a little yachty, can't swim? Get the boat

Take a photo while the kodack's black

Take a moment, lemme go right back & lemme float right back

And 69 while she sit on this bed & do this all night Trippin off Red

Mick: Hang on Hang on

Chill: Wh-what?

Mick: What the fuck're you talkin bout 6ix9ine for, man?

Chill: Wha-Well-I, well-well fuck, I wrote this before, like, all that snitch shit. Like, I-okay nah nah you're right you're right. Fuck 6ix9ine, uh, public service announcement, he ain't hip hop. Fuck that guy. Um, keep going with the track, we gonna stoop shit now, let's get it back

Snoop round & get Dogged like a schoolboy do

I got the apps, I got the [?] they call me ScHoolboy Q

Top dog, The G rockin while the tune go boom

That's Premier girl, start with a gang, I swear it's you know who

Had a child with Destiny, she's a diva

I'm the max, sip the Miller, still got Nike on my sneaker

Rollin buds like Khalifa with the funky [?] Medina

Cause the Nikes on my feet keep the cypher Complete, rest in peace

Yeah yeah, cause the Nikes on my feet, niggaNikes on my feet keep the cypher  
Complete, rest in peace  
Uh, I let the song play while I'm out in Cypress or hills, let the bongs bla  
ze  
It was 3000, Outkast you like I'm André  
Homie be the smokers, even Ms Jackson got the roses, uh  
Sick lyricist sicker with sick lyrics  
And my syndicate can spit. Nick Jimmy, the spit syndicate  
Lyrical Commission, I'm the one with the fat blunts  
So shout out Trem & Brad Strut, cause Horroshow rock the flow  
Rocky horroride to the death, so we ride till there's no rides left  
Ah yes, & I only drink Drapht, cause I'm Bias, B  
I used to represent Hursty like [?]  
I did a quick 360 no scope for the kill shot  
Cause the skill I got is sick like the Kers was  
And then I'm like "Head to the Hilltop", the Hoods all good  
Brutha, you ain't got the nose that Chill got

I was raised on my hip hop  
I was raised on my hip hop  
I-I was raised on my hip  
Rai-Raised on my hip hop  
I was raised on this hip hop

Swear to God bruv, I'm the fuckin  
I don't even remember like, Kool G & the Gang  
Like that fuckin, "I see a hip-hop, a hippie, a hippie to the-"  
For all the way up until the shit that just dropped last week  
What dropped? Mickey, what dropped last week?  
Mickey?  
Mickey, wake up, what dropped last week?  
Quick quick, please hit me  
Aight, fuck it, some Kanye-so-some Kanye shit dropped last week  
But ah, hip hop is life man, know your shit  
Shout out the whole fam  
-This a skitz track  
We just gonna talk it out, I ain't even done one of these things yet where I  
just talk at the end  
I do like to talk a lot  
You can ask Mickey, do I like to talk a lot  
He nodded, he said yes  
Thank you
