

Eat

Chilliwack

I was walking, walking, walking the street
I was talking, talking something sweet
I was timid, timid, timid to eat, eat, eat, eat, eat

She was holding an ice cream way in the sky
Man, what a weekend, weekend, weekend ride
I was timid, timid, timid to eat, eat, eat, eat, eat

Tell me why, why, why, why, why
Why I should not, shouldn't I?

She was holding an ice cream way in the sky
Man, what a weekend, weekend, weekend ride
I was timid, timid, timid to eat, eat, eat, eat, eat

Tell me why, why, why, why, why
Why I should not, shouldn't I?
Tell me why, why, why, why, why
Why I could not, couldn't I?
