

Goodnight

Chilliwack

Good night, good night, good night
All I wanna say is good night, good night, good night
Too many faces, good night, good night, good night
Too many faces, too many places
Sometimes it makes you wanna just lay down
Good night, good night, good night
Sweet dreams, sweet dreams, gonna make it right

It's nice to be here, nice to see you
Nice to play for you, I'm the same
Oh good night, good night, good night
Sweet dreams, sweet dreams, gonna make it right
And I know it's gonna be all right, all right but for tonight

Good night, good night, good night, oh
Good night, good night, good night, oh
Good night, good night, good night, oh
