

## Never Be the Same

Chilliwack

Do you think I want to leave you girl?  
Do you think I want to say goodbye?  
Do you think I want to make you cry?  
Not me, not I

Do you think I don't feel the pain?  
To be without my favorite friend  
To be without the one that I talk to  
Baby, you know I do

When I see that silver bird is flying away  
Got my head up in the clouds  
And I'm high  
I'll never be the same  
Never be the same  
Never be the same again

Do you think that I'm a dreamer girl?  
Do you think I want to change the world?  
Do you think that I'd do anything?  
To follow a dream

Well you're right I want to change the world  
And you're right, I'm a dreamer girl  
Don't you worry about a single thing  
Cause you're in my dreams

When I see that silver bird is flying away  
Got my head up in the clouds  
And I'm high  
I'll never be the same  
Never be the same  
Never be the same again

When I see that silver bird is flying away  
Got my head up in the clouds  
And I'm high  
I'll never be the same  
Never be the same  
Never be the same again  
Never be the same again
