

Roll On

Chilliwick

You've been trying every night to be a star
In the eyes of the world
From here to the south seas Jamaica and back
You've been working so hard girl
Every night in a different town every night
In another world
From here to the south seas Jamaica and back
You've been working so hard girl

So many years
So many tears have passed you by
So many miles of smiles
And still you're reaching for the sky

As you roll on baby roll on roll on baby roll on
Keep on moving
Keep on moving
Keep on singing your song
As you roll on baby roll on all night long

I hesitate to ask you this but how long has it been
From here to forever and all the way back
And you've still got the same dream
Do you ever envy the ones that made it to the top
When so many tell you that you'll be the next tel me
What in the world's
Held you up

So many years
So many tears have passed you by
So many miles of smiles
And still you're reaching for the sky

As you roll on baby roll on roll on baby roll on
Keep on moving
Keep on moving
Keep on singing your song
As you roll on baby roll on all night long

Roll on
Roll on
