Won't you look at what the day can bring?  
Now it's sundown  
Moon rise up, yeah, yeah  
Sundown, moon rise up in the day

Lori-Lori-Lorilei  
Lori-Lori-Lorilei

Tonight it will be you and I  
Now that it's sundown  
Moon rise up, yeah, yeah  
Sundown, moon rise up in the day  
Oh yeah, in the day

Eve-eve-evening
