

The Fields and the Sea

Chilliwack

Don't you worry, baby, I'll come home
Don't you worry, baby, when I'm gone
Even in the darkest night
I can always see your light
Oh shining bright, so bright

In a hurry, baby, take a rest
Life is not to worry or make a mess
But, baby, if you wanna fight
Then get it down and get it right
Oh but for me, ah, for me
It's down by the fields and the sea

Keep a-moving, baby, nice and slow
Keep a-moving, baby, let it grow, ah, ah
Ah, and for you and me
Shining bright and free
Down by the fields and the sea

So keep a-moving, baby, keep a-moving, baby
Said keep a-moving, baby, nice and slow
Keep a-moving, baby, let it grow
Keep a-moving, baby, nice and slow
Keep a-moving, baby, let it flow
Keep a-moving, baby, keep a-moving, baby
Keep a-moving, baby, let it grow
Let it grow, let it grow
Let it grow, let it grow
Ooh baby, let it grow
Baby, let it grow, grow
Let it grow, oh now, baby
Just keep a-moving, baby, nice and slow
Keep a-moving, baby, let it grow
Keep a-moving, baby
