

## Fascination Street

Chimaira

Oh, it's opening time  
Down on fascination street  
So let's cut the conversation  
And get out for a bit  
Because I feel it all fading and paling  
And I'm begging  
To drag you down with me  
To kick the last nail in  
Yeah, I like you in that  
Like I like you to scream  
But if you open your mouth  
Then I can't be responsible  
For quite what goes in  
Or to care what comes out  
So just pull on your hair  
Just pull on your pout  
And let's move to the beat  
Like we know that it's over  
If you slip going under  
Slip over my shoulder  
So just pull on your face  
Just pull on your feet  
And let's hit opening time  
Down on fascination street  
So pull on your hair  
Pull on your pout  
Cut the conversation  
Just open your mouth  
Pull on your face  
Pull on your feet  
And let's hit opening time  
Down on fascination street
