

Back Again

Chin Up, Kid

How can you be so mistaken
I see my doom in everyone
Another night has just begun
Beware of the hunting gun
Tonight they're on the run
Another night without a dawn

I was never the one but you couldn't live without me
This is death and now that I can rest in peace
You see
I see the fear in everyone
I'm like a loaded gun
The devil's got a new face
To hell with me and back again

After all this shit is said and done
You know what you've become
No, I'm not the one to blame
And I will be around
One day you'll understand
Where I come from

I was never the one but you couldn't live without me
This is death and now that I can rest in peace
You see
I see the fear in everyone
I'm like a loaded gun
The devil's got a new face
To hell with me and back again

I was never the one but you couldn't live without me
This is death and now that I can rest in peace
You see
I see the fear in everyone
I'm like a loaded gun
The devil's got a new face
To hell with me and back again
