## China Crisis

I sent a dozen roses  
Sent them so she knows just how I feel  
I sent a dozen roses, I was blind

As if she didn't notice  
As if she didn't know just how I feel  
As if she didn't notice I was blind

Fool, you're making me feel just like a  
Fool, fool

Put you on a pedestal  
Made you feel like you're so tall, like you're a giant  
I put on a pedestal  
I was fine

Fool, you're making me feel just like a  
Fool, fool  
Fool, you're making me feel just like a  
Fool, fool
