

## Dark And Light

Chinchilla

Black eyes  
Blue eyes  
Morning face the truth  
Don't turn  
Out the light  
I have lost my mind  
I give  
You take  
This life I have begun  
Sweet kiss  
Hot kiss  
You're the girl I used to love  
Love keeps coming, like warriors will die  
Playing with our years, one minute Disappears  
Waiting for you... waiting for you...  
Waiting for your last call  
Ride between dark and light  
Ride between dark and light  
Decry me  
Deny me  
Running to you tonight  
Bad lies  
Heart cries  
Let me see inside  
No time  
No crime  
These things pull me down  
Sweet kiss  
Hot kiss  
You're the girl I used to love
