Chinchilla

Fire devil moon chinchilla
Queen joker boss and sinner

She fire she water she earth and she air
She know where to go what to wear
She got every colour of hair
Turn you to stone in a stair

You made a point when you cared
Now she got diamonds and heirs
Sat on a throne for a chair
Virtual billionaire

She can dress it up
In the best attire
Drinking from a cup
Made of glass and wire

Friend or foe
She can smell a liar
Well you raise me gold?
I raise you sapphire

Fire devil moon chinchilla
Queen joker boss and sinner
Where my girls?
Cos they said it said it said it from the get go
We're a million times better off as solo
We can take em take em take em take em down

Well who can break your heart boy, I know who
Educate a smart boy, I know who
Lady of her art boy ma'am to you
Been there from the start boy through and through (woo)
She confident
And don't forget it
She'll start a storm
Political medic
That ass a blessing
But I wouldn't dwell,
Well you raise me heaven?
Ha I raise you hell

Fire devil moon chinchilla
Queen joker boss and sinner
Where my girls?
Cos they said it said it said it from the get go
We're a million times better off as solo
We can take em take em take em take em down

She won't settle if you're not what she wants
Fly to Paris for a nice restaurant
Then get rowdy with a cola and rum
Nike Adidas and Louis Vuitton well

Call her the doctor
Call the nightmare analyst

Call her the queen of hair, the queen of thighs and lips,
You got your answer right between your fingertips
You give me sunset I give you a fucking eclipse

Fire devil moon chinchilla
Queen joker boss and sinner
Where my girls?
Cos they said it said it said it from the get go
We're a million times better off as solo
We can take em take em take em take em down

Fire devil moon chinchilla
Queen joker boss and sinner
Where my girls?
Cos they said it said it said it from the get go
We're a million times better off as solo
We can take em take em take em take em down

Where my girls?
Cos they said it said it said it from the get go
We can take em there ain't no such thing as macho
We can take em take em take em take em down
