

Werk That (Funky Manosa)

Chingo Bling

Work that, jerk that, now work that
Jerk that, now take that, take that
Now make that, make that
Now bring it back, bring it back
Now bring it back, bring it back
Face down, tune it up
You want this money, then back it up
Mama say, mama sa, ma-manosa
Mama say, mama sa, ma-manosa
Mama say, mama sa, ma-manosa
Chingo Bling in the house, que te pasa
With a big booty thick girl jiggle like Playdoe
One eye closed and far away, she like J-Lo
She go hard but that one go harder
Ooh Lord, must be something in the water
It's Chingo Bling, going hotten than salsa
Bout to run the game, playboy, you better boss up
(Sweat)
Sweat 'til it smells like barcas
(Sweat)
Sweat 'til it smells like patas
(Sweat)
It's Sabado, ponle la bata
Habre la boca y taste this horchata
Work that, jerk that, now work that
Jerk that, now take that, take that
Now make that, make that
Now bring it back, bring it back
Now bring it back, bring it back
Face down, tune it up
You want this money, then back it up
New skirt, just got her hair done
What about the panies? No, she don't wear none
Here my number, call me long distance
Can't call Mexico? Buy some more minutes
Take a picture, put that on the wall
'Cause them kind of boots, they ain't got on the mall
I'm V.I.P., we ain't s'pposed to be smokin'
But guess what, laws was meant to be broken
Wetback, just like Gilligan
Worth a million, country like [unverified]
She got moist when she noticed the paint job
A pimp by night but tamales my day job
Work that, jerk that, now work that
Jerk that, now take that, take that
Now make that, make that
Now bring it back, bring it back
Now bring it back, bring it back
Face down, tune it up
You want this money, then back it up

Ponte la bata, es Sabado
Horchata, jamaica, tres leches, tamarindo
If you see la miga, you better tell Chingo
Say chile con carne, Chile con carne
Say you don't got no diamonds
You don't got no diamonds

Say chile con carne
Chile con carne
'Cause Chingo tiene hambre
'Cause Chingo tiene hambre
Say gimme what you got for a torta
(Torta)
Gimme what you got for a torta
(Torta)
Say gimme what you got for a torta

(Torta)
Mama say, Mama sa, ma-manosa
Mama say, Mama sa, ma-manosa

Now bring it back, bring it back
Now bring it back, bring it back
Face down, tune it up
You want this money, then back it up
All right, all right, all right
A lot of you guys don't know the real definition of manosa
Some of you manosas, don't even know you're manosa
A manosa is any girl that does nasty stuff
That shows her stuff for some moneys
That's right, the pesos, the counterfeit
The cheddar cheese chalupas
Work that, jerk that, now work that
Jerk that, now take that, take that
Now make that, make that
Now bring it back, bring it back
Now bring it back, bring it back
Face down, tune it up
You want this money, then back it up
Chingobling dot com sa la lavan, se toman la agua
Peace out, hey you, manosa
Pick up your money off the floor, you're making a mess
Stupid
