

DAT GOOD

Chingy

(Girl you got that good)
Got that good baby, get that understood baby
Plus you from the hood you might act a lil crazy but
(Girl you got that good)
I'm rolling wit you bae when I'm wit you I miss you bae
That body on you so official bae, plus I love the freaky lil games we play
Got that good
Got that good
Got that good
I'm rolling wit you bae when I'm wit you I miss you bae
That body on you so official bae, plus I love the freaky lil games we play

Twist you up like twistlas weekends too like Sza
Have you fucking calling me Mr. Wutang pootang like Rza
Girl fuck we can do thangs whurr is ya
I'm hot so hot no kitchen, no fucking mitten fuck
When I rub that kitten positions fucking vary it git done
Fuck I'm a be ya physician fucking overdose on this dick prescription
This hurr right hurr a addiction
Put that pussy thurr in affliction

We be poppin bottles jus ya pop the models
Put my key in ya ignition as you clutch the throttle zoooooom
Girl you got that good, fuck round the way girl from the hood
Got me hard I wish you wood

Let's make this understood soon as I, enter good
Stick it right splinter good
She say her lil tender good

(Girl you got that good)
Got that good baby, get that understood baby
Plus you from the hood you might act a lil crazy but
(Girl you got that good)
I'm rolling wit you bae when I'm wit you I miss you bae
That body on you so official bae, plus I love the freaky lil games we play
Got that good
Got that good
Got that good
I'm rolling wit you bae when I'm wit you I miss you bae
That body on you so official bae, plus I love the freaky lil games we play

You stumble when you take steps
Cause I gave you that good with the latex
Got you coming like my dollars in my paychecks
We not in Bangkok but now you fluent in that language

Mamacita you'll be singing like Aaliyah
Rock your boat so good you claiming that you see her
Got you sounded like you running from a pack of cheetahs
Let me put this long behind you like your first name Nia

All over your body you've been on my mind like some Dre beats headphones
Give me brain like I'm a zombie
Then I'm a FaceTime you like a feature on an iPhone

I'm a do it cause you said they never did

Break the mold so no one else will ever fit
Have you on the wall like ancient hieroglyphs
I'mma connoisseur when it comes to this

Cause

(Girl you got that good)
Got that good baby, get that understood baby
Plus you from the hood you might act a lil crazy but
(Girl you got that good)
I'm rolling wit you bae when I'm wit you I miss you bae
That body on you so official bae, plus I love the freaky lil games we play
Got that good
Got that good
Got that good
I'm rolling wit you bae when I'm wit you I miss you bae
That body on you so official bae, plus I love the freaky lil games we play

(Girl you got that good)
(Girl you got that good)
(Girl you got that good)
(Girl you got that good)
(Girl you got that good)
