

Remember When

Chingy

(Feat. Bobby Valentino)

Remember the first time we met...

Remember when you told me that you cared...

Girl I remember you took mah heart from the start

We never b apart no

Cause I remember holdin hands in the park

In the middle of the villa talkin

Girl I remember like it was yesterday we never played no games nah...

Now I don't know who you are...

Now I don't know who you are no...

Let me talk to you for a minute baby

Hey look hey baby

Remember when we was like the sun

Always shinin bright baby we was one

Remember when I would hold yo hand walk you through the park tell you I'm yo man

Remember when it would rain outside we'd stay in and hv sex all night

Remember when you kept it real for me

My phone was off you had my back and paid the bill for me

Remember that if not then remember this

The second time you came to see me was our first kiss

Remember that if not try to think back

When I saw you first I winked and you winked back

You got me off track baby remember that

Girl I remember you took my heart from the start

We never be apart no

Cause I remember holding hands in the park in the nolia? villa talking

Girl I remember like it was yesterday we never played no games no

Now I don't know who you are

Now I don't know who you are no

I think we went wrong right here aye check

Do you remember all them lonely nights

I would leave ya home me I'm on a flight

Do you remember saying bye baby knowing in back of ya head you're like why b aby

Do you remember going out that night

I called you you said you was going out

That's right

Do you remember when I came home the next day bought you some roses cause it seemed long

Do you remember acting kinda awkward

I washed our clothes and a number fell out ya pocket

Do you remember why it seemed crooked

Said you wanted him to get out ya face that's why you took it

I don't believe that you did it before

I remember baby

Girl I remember you took my heart from the start

We never be apart no

Cause I remember holding hands in the park in the nolia? villa talking

Girl I remember like it was yesterday we never played no games no

Now I don't know who you are

Now I don't know who you are no

Believe it or not you my one and only
Well you was until I found yous a damn phony

But trust me come around the corner all that be honest bullshit say that you
