

# Do Something New

Chip tha Ripper

Do something new  
Do something new for me  
Do something new  
Something brand new for me

She pretty but she Gangsta  
And she really petty  
They coppin duces in her DMs  
They ain't really ready

She went to war behind her nigga  
Cause he put her out  
She pulled dat HondaCRV  
Up 2his mama house

That was a while ago and  
Now she in Mercedes Benz  
She get her money but she  
Got a couple shady friends

She let dem bitches to talk her  
Back into her old ways  
She back investigating  
Finding out where hoes stay

She my nigga tho  
She fuckin up da stripper pole  
The way she throw it  
Yeen never seen dis shit b4

She's shaking ass and selling pills and selling packs now  
She got some jewelry now she don't know how to act now

Fuck it up  
Do something new for me let me see it  
Do something brand new for me let me see it  
Do something new for me let me see it  
Do something brand new for me let me see it

Do something new for me  
Do something new  
Something brand new for me

Walk it up da pole  
Let me c it Hit da flow  
She throw that ass like she don't  
Even want that shit no more

She never had a man  
That was her only man  
She goin ham  
Her Instagram  
It's cranking up her onlyfans

Ass fat

Super fat

Bbl snatched

Don't get too attached

I love it when it's natural baby

Make dat ass clap

Do some shit they never seen  
And make em have a heart attack

Do something new  
Do something new for me  
Do something new  
Something brand new for me

Fuck it up  
Do something new for me let me see it  
Do something brand new for me let me see it  
Do something new for me let me see it  
Do something brand new for me let me see it

Fuck it up  
Do something new for me let me see it  
Do something brand new for me let me see it  
Do something new for me let me see it  
Do something brand new for me let me see it
