Intro

Chip tha Ripper

Uh, everybody welcome to the show now
Have your ID's in your hand here we go now
Single file now stick your arms out, for the pat down
Take a wrist band for the bar now

As soon as you pay your time Stand off to the side til your niggas alright Cause we 'bout ten deep in that ten deep Lookin' for ten freaks who wouldn't mind us in them cheeks

Nobody seen me in like ten weeks Cause I've been on the grind, killin' streets Killin' pussy and killin' beats Fresh paint, 28's, on the antique

Park in the front Hop out the whip Gave my nigga couple dollas Just to watch that bitch

Now we in the party
And we got bacardi
And we lookin' for a fine freak
With a body
