Every time you see me, I smell like a brand new car

These niggas ain't cool, these niggas corny  
They take they self too serious, these niggas boring me  
Everybody acting like they balling in this bitch  
I see them in the streets, I ain't believe in that shit

I don't hang around a lot of niggas cause they jake  
She bad with her body, but her attitude is jake  
My name is Chip tha Rip, I come from up there by the lake  
I'm just trying to see how many dollars I can take  
Your hair, jake, your gear, jake  
Your jewelry, jake, your foot-stance, jake

Let me take a nap if we gon' pull an all-nighter  
Woke back up at 8 p.m., I'm feeling like a pastor

Don't be talking back if you know you dead wrong  
You frown cause you weak, I smile cause I'm strong  
I smile cause I know for sure I'll bust you if you try me  
Dress up like the postman and cook you in the lobby  
Uh, pulled up to the car meet up, lit my weed up  
Turn on a movie, let my seat back and kick my feet up  
You motherfuckin' skippy, you ain't seen me in a minute  
I been coolin', I been chillin' with some motherfuckin' women
