

Kitty Show

Chip tha Ripper

Scrub the Ground
Make the clapping sound
Bring it back around
I gotta give it some dap & a pound

Go to the top of the pole
Drop it really slow
Let dat kitty show

Smack ya own ass
Smack ya own ass
Grab ya own cash
Smack ya own ass
Pick up your own cash
Grab your own cash

Canary yellow diamonds and these Teslas on display
Am I gonna slide through Beverly Hills or should I do Crystal Cove to day

Got about two or three of them with me and they know they can't complain
All that ass falling up out of the car when I open the falcon wing

Baby girl get on your grind
Show up to work on time
I don't give a fuck if you're fine
Something must be wrong with your mind

Give me a private show I got a hotel on the low
That's where I'm going to throw lots of dough
Let me know if it's time to go

Scrub the Ground
Make the clapping sound
Bring it back around
I gotta give it some dap & a pound

Go to the top of the pole
Drop it really slow
Let dat kitty show

Smack ya own ass
Smack ya own ass
Grab ya own cash
Smack ya own ass
Pick up your own cash
Grab your own cash
