No, I don't know don't care bout the rules
So many girls so how do I choose
I'm on a mission to go stupid ham
I can care less if you know who I am
I got some elements here in this bag
Might make you happy or might be a drag
I have been sent to enhance your life
So do me and dance and things a be right
Hope you decide to never decide
Hope you say fuck it and go with the ride
She comfortable doing shit I never seen
Told her come pleasure the king and the queen

Pleasure is mine if pleasure is yours
Pleasure

Pleasure is mine when pleasure is yours
Pleasure
But only when pleasure is yours

Tell your pastor no I don't tithe cause I'm on a budget and he doing fine
