

## Sauce Me Up

## Chip tha Ripper

[illegible]

I don't event want no help  
I collect my ACH wit pride  
We do it ourselves

Don't threaten me I get real proactive  
These women'll tell you  
I ain't never have none captive

Black Indians  
They ain't never tell y'all about us  
We don't give a hell y'all doubt us  
All y'all punks get the hell from round us

Don't believe what they talking about  
Track your lineage find your folks  
The enemy history book is  
Filled with Lies & jokes

Gullah wars  
Das why police shootcha  
Me and my queen from the 1300s  
Back to the future

She proposed we practice polygyny  
So yeah I'm free it's more for her, it's more for me

[illegible]

Sauce me up  
Sauce me up

Don't even need no help  
My fans & family believe in me & I believe in myself

Betta watch yo self on God  
We Already livin in hell bitch  
Life don't need no help being hard

You can ask chat gpt bout me  
Str8 out da skreet  
I'm tryna get all da hate out da street  
I never complained  
I Stayed on my feet

I'm not the type to just sit on the phone  
And you don't be talking about shit on the phone  
I don't even talk when I Sit on the throne  
The look on my face  
Could turn you to stone

She got her money back up now she's back in the building  
Negro Indians back in rebellion  
She told me she want to come fuck with the tribe  
We got it pop and they sucked me till I was no longer alive

Sauce me up  
Sauce me up  
Sauce me up  
Sauce me up  
Sauce me up  
Sauce me up  
Sauce me up  
Sauce me up
