

Soothing

Chip tha Ripper

Yeah, yeah, yeah
Yeah, don't this sound so soothing
If them hoes choosing they losing
Yeah, and don't this sound extra soothing
If them girls ain't choosing they losing
Yeah, and don't this sound so soothing
If them hoes choosing they losing
Yeah

No record deal
I'm fresh as hell
New car paid for
They catchin hell
When I pull up
With all they hoes
Foggy as fuck
All that smoke
I'm Huey Newton
Black dynamite
Fuck these hoes
With all my might
Heads or tails
To each his own
I call it Mona Lisa
Cause I make Lisa moan
And anytime you ain't smokin' you should be
Call of Duty, Battlefield thats how my hood be
Yeah, a little bit of this
A little bit of that
Kill 'em with the flow
Kill 'em with the mac
Now you did
And I got yo bitch

Piss on that bitch
Me and her just met
Now we goin in
She chose me
Now she gon' win

Yeah, and don't this sound so soothing
If girls ain't choosing they losing

If them bitches ain't choosing they losing

Don't mean no harm

Don't need no pictures just to make this a night to remember
