

Typical Other

Chip tha Ripper

I don't want us to end up like all of the other
I don't want us to end up the typical under
I don't want us to end up like all of the other
I don't want us to end up the typical under
I don't want us to end up like all of the other
I don't want us to end up the typical under
I don't want us to end up like all of the other
I don't want us to end up the typical under

Admire me
And honor me
And Charish me
Stay fond of me

Prosperity
Clarity
Integrity
And your honesty

Sharing me
Trusting me
Loving me \$
You lusting me

I'm alpha dog
You fuckin me
Saw competition
Reluctantly

I ain't even lying
But I can tell you don't believe me
You don't appreciate me no mo
You ready to leave me

You ain't in yo right mind
You for a reason
A season
Or lifetime
Karma through the pipeline

Bite like a python
Burn like a pipe bomb
Damn you was right mom
Tried to warn me you was right mom

Watch out for these bitches my nigga watch out for these bitches my nigga watch out for these hoes
100% of these niggas is Kings 100% of them turn into hoes
100% of my love 100% of my love you already know
Hundreds and 50s and 20s and tens and fives and ones that's all that you know

She ain't lazy watch her go crazy look at her swing on the pole
If she approached you, you're not going to say no

I don't want us to end up like all of the other
I don't want us to end up the typical under

I don't want us to end up like all of the other
I don't want us to end up the typical under
I don't want us to end up like all of the other
I don't want us to end up the typical under
I don't want us to end up like all of the other
I don't want us to end up the typical under

Have faith in me, invest in me
Live patiently. That's the recipe
Get pay with me, have sex with me
Give brain to me, telepathy

Believing me, stay repping me
Stay breathing me, exhaling me
Where are you need to be, right next to me
But you seem to be on edge with me

I ain't even trying cause I can tell that you don't need me now
You don't appreciate me no more we can see that now
I'm gonna let my light shine
My new bitch Belisian we achieving and we quite fine
Glowing in the night time

Cold like winter time
Going shopping any time
Whole city mine
When I'm with you the whole city mine

I don't want to be like the typical couple that fall out because they none r
an out of love
I don't want to be like the typical couple we're better than them and we fit
like a glove
We never get sick of each other we get it we stay on the cover we always got
love
We never get sick of each other we fucking these bitches we living we sent f
rom above

Fucking with you ain't a drug it's a herb
I can dig her she's already dug that's my word

I don't want us to end up like all of the other
I don't want us to end up the typical under
I don't want us to end up like all of the other
I don't want us to end up the typical under
I don't want us to end up like all of the other
I don't want us to end up the typical under
I don't want us to end up like all of the other
I don't want us to end up the typical under
