

About Time

Chipmunk

Yeah

Ay Where's my lighter?

Gotta get that vibe right

Aye Kojo and Chipmunk

Hm

I cock back yeah, Buss mine (Boom)

See your cock back (Yeah)

You my star nine (Boom)

I bill a zoobie just to pass time (Ganja man)

Do it every time like it's the last time

(Come here)

When you smell my neck

What's that, Chanel Bleu

I smell your neck

What's that, Chanel too

Whisper in your ear, got things to tell you

I smell my bedsheets, I can smell you

Oh I like it, I like it

Plumber Chippy I fix the piping

Close my eyes and I see you

Gyal, you have to come out of my eye lids

Come in and let her play play when it's fun time nah

Cum time, when you come mine, come by cuh

I want your time like

I want your time like all of the time so

Every time you pull up, I'm like it's about time

Last night you spent the night round mine

Today I just can't get you off of my mind

She ring my door and text 'I'm outside' yeah

Every time she pull up, I'm like it's about time

Last night you spent the night round mine

Today I just can't get you off of my mind

She ring my door and text 'I'm outside' yeah

Every time she pull up, I'm like it's about time

Me no go lie, yeah

Seen you the other night

Me no care mama too fine

Me no lie, ay ay

Bitches will say what they wanna say

But baby if you come my way

Baby man I'm here to stay day by day

Take your time, ayy

Me know you want to feel it all the time ayy

Me know you want it in your belly everyday aye

Me no play no games ay

Ay ay ay

Me know you want the pipe everyday aye

Hey ay

Last night you spent the night round mine

Today I just can't get you off of my mind
She rang my door and text 'I'm outside' yeah
Every time she pull up, I'm like it's about time
Last night you spent the night round mine
Today I just can't get you off of my mind
She rang my door and text 'I'm outside' yeah
Every time she pull up, I'm like it's about time

Busy girl yeah she work, work, work
I take my time on your body like a verse
I skr skr, pull up on you in the Merc
Cause if the beats on me, Me haffi merk
Nice in a tracksuit or Nice in a skirt
Whine as she twerk, Yeah she bad from she birth
Girl the way you lick me, you make me toes dem curl
So if you ever left me, that will lick me where it hurts (Lord oh mercy)
So I'm in your mouth, hm shh dat
In me, I'm gon' push dat
Yeh me push, Yeh she push back
Always tryna read me, library where the books at
I'm the youngest OG like baby where that kush at
Cuh you met Mr wolf rise under the moonlight
Sometime chills time, sometime shine
I want your time like all the time so
Every time she pull up, I'm like it's about time

Last night you spent the night round mine
Today I just can't get you off of my mind
She rang my door and text 'I'm outside' yeah
Every time she pull up, I'm like it's about time
Last night you spent the night round mine
Today I just can't get you off of my mind
She rang my door and text 'I'm outside' yeah
Every time she pull up, I'm like it's about time

And Last night you spent the night round mine
Today I just can't get you off of my mind
She rang my door and text 'I'm outside' yeah
Every time she pull up, I'm like it's about time
Last time you spent the night round mine
Today I just can't get you off of my mind
She rang my door and text 'I'm outside' yeah
Every time she pull up, I'm like it's about time
