

# Good For You

Chipmunk

We ain't gotta go out to eat  
Kick back, I cook food for you  
Everyday I'm in the mood for you  
You make a bad boy good for you  
Faithful, I don't know how to be  
But imma' try learn how for you  
See I ride through the hood for you  
You make a bad boy good for you

Yo, studio this evening  
Went from heartless, to catching feelings  
Mani's or pedi's, I'll get you treatments  
Come we hit a spa for the week  
Tower long, fresh out the shower  
Me and you tugether, that's powers  
I want your company for life gyal  
Baby, we can start with some hours  
I think you  
Should be mine to the end of time  
Had too many selfish nights  
But you make me wanna' share my life  
Cus' I don't wanna be a playa no more  
I wanna' try here  
Something you can think, that makes you wanna whine  
What you sayin', you ain't ready baby, we give it time  
I still see it in your eyes

We ain't gotta go out to eat  
Kick back, I cook food for you  
Everyday I'm in the mood for you  
You make a bad boy good for you  
Faithful, I don't know how to be  
But imma' try learn how for you  
See I ride through the hood for you  
You make a bad boy good for you

Yo, blast from the past tryna creep  
You want me wanna' block and delete them  
I said its studio this evening  
But you should be at mine for my reachin  
And we dance and we whine it to cartel  
Truth say I took you (yeah, yeah, yeah)  
Come baby dance now  
No is not the answer  
I just wanna' hear ya say (yeah, yeah, yeah)  
I know I disappear but forgive me  
10 years later, reappear did you miss me?  
Single bed in my mums yard, you would lift me  
My heart is an iceberg but we got a history  
Don't wanna be a playa no more  
I wanna' try here  
Something you can think, that makes you wanna whine  
Baby you ain't ready for me, cool give it time  
I still see it in your eyes

We ain't gotta go out to eat  
Kick back, I cook food for you

Everyday I'm in the mood for you  
You make a bad boy good for you  
Faithful, I don't know how to be  
But imma' try learn how for you  
See I ride through the hood for you  
You make a bad boy good for you

We ain't gotta go out to eat
