Hey girl you know I fucks wit' you
Bedroom that's a club for two
Baby I just wanna rendezvous
Where to? My place, say two, yeah
Hey girl you know I fucks wit' you
Bedroom that's a club for two
Baby I just wanna rendezvous
Where to? My place, say two

2am in the morning
Party just done and she calling
I know you been sippin' all night
Thought you might pull up no warning
No, tights, on, those, thighs
That's what I like
She don't, ever, mind, giving, brain
Shows i'm on her mind
Ja Rule baby know i'm always on time
I ain't no singer but she loves when I try
Give me all your loving baby

When I say I wanna make you whine
Don't mean make you cry

If niggas run you down
What you calling me for
I ain't watching nutt'm
Yo dem boy dere all talk
Dinner no dessert let me be your third course
When I fling you on your all 4's
I'm all yours

Hey girl you know I fucks wit' you
Bedroom that's a club for two

Where to? My place, say two, yeah
Hey girl you know I fucks wit' you
Bedroom that's a club for two
