

Legend

Chipmunk

(Producer Zeph, bop, bop, bop 'cause he's too boujie)
Yo, yo, legend

Budda-bup-bup, budda-bap-bap
Rrr-tat-tat, squeeze that, mi nah tek chat
Bare pets out, fuck this where the vets at?
Got a new cheque chock that and invest that, yo
We the best at, where the rest at?
In the booth like what's sleep, what's rest akh?
From a set back, set up shop, you get man? I got lyrics
Hold somethin' in your head back, yo
From a spot 'em, I got 'em, like what, man, I'll rot 'em
Like, dot, man are cotton, they soft
Cut a nigga off can't cut up my prof
Don't be gassed off a deal, I done better when dropped
Terminate them doin' my job
I got white gyal sayin' that I'm better on pop
I got black gyal sayin' that I'm better when I pop
In this clash ting I'm the final boss

See me in the street and they call me a legend
Man don't care who's goat, I'm a legend
Make man stutter and choke I'm a legend
Te-te-te-tekkers, legend
New MCs fuck with me, I'm a legend
Goat MCs fuck with me, I'm a legend
No one can fuck with me, I'm a legend
One of the best, I'm a legend

It ain't Christmas but I'm hearin' Mary, ooh, 'cah man are legendary
How many spitters got dead and buried
Put them in a-
Man ain't gotta say, man know I'm a-
Inspired who, inspired you, I'm a legend
Sixteen year old MC legend
Don't ask how OC, I'm a legend
No achievements you a chatterbox (Eediat)
Man know me, check my catalogue, legend
Deep bars between the lines you gotta read through
Any time I page man it's a magazine (Brret)
Write what quicker than me? I'm a legend
Can't reply quicker than C, I'm a legend
Them man are self claimed MCs, not me, I call myself what they call me

See me in the street and they call me a legend
Man don't care who's goat, I'm a legend
Make man stutter and choke I'm a legend
Te-te-te-tekkers, legend
New MCs fuck with me, I'm a legend
Goat MCs fuck with me, I'm a legend
No one can fuck with me, I'm a legend
One of the best, I'm a legend

Yeah, no more clashin' or sendin' or none of that from me man, I'm out
Tell a man go on YouTube, do your homework, yeah, I'm out
Legend
