

# Power Up

Chipmunk

But they don't wanna let me in  
Alright then  
Beast  
All glass ceilings will be broken down  
Straight like that  
Godly path  
Yo

They don't wanna see me onstage  
See a soundboy get blazed  
Crowd go sick, insane  
By now, you know the name  
They don't wanna see me onstage  
See a soundboy get blazed  
Man go sick, insane  
By now, you know the name

Oi, G-Star jacket, I'm raw (raw)  
Tell Wireless I'm awks (awkward)  
Plug me in, I've got more (riddims)  
Blocking a man? What for? (why?)  
They do shade and salt ('llow it)  
Man do pepper, not talk (boom)  
They do tweeting threats ('llow it)  
Man do say no more (SNM)  
Cuh we're not nuttin' like them (nah)  
We no want nuttin' from dem (nah)  
Never got run out the park by goons (nope)  
I swear down (down), it was feds (ask)  
Security and execs (wah gwan?)  
Got me sitting here like "what next?" (what's going on)  
Wanna shut a man down  
Nah, fuck that, it's power up time instead (power up)  
My nan died, new angel, I'm blessed (rest well)  
I've got a talent (ayy), it's apparent (ayy)  
Talk the truth (ayy), they can't stand it (ayy)  
Handle spitters (ayy), I don't have it (never)  
Come out and spit two bars  
See the crowd go mad when I do this (wheel-up sets)  
Can't block me for no reason  
I've got a big mouth and I'll use it (yeah)

They don't wanna see me onstage  
See a soundboy get blazed  
Crowd go sick, insane  
By now, you know the name  
They don't wanna see me onstage  
See a soundboy get blazed  
Man go sick, insane  
By now, you know the name

You're not a badboy, 'llow that, fam  
Badboy act, why you do it for the 'Gram? (bait)  
These MCs ain't grime, they're funky  
Say you've got a gat, but are you gonna bang? (no)  
You're not a goon, you're catting with bae (bae)  
Now I'm on a mission to try find bae (bae)

When I find bae (bae), I'm gonna spray (spray)  
Anything that's in my bloodclart way (boom)  
Man wanna stop my shine, that's lame (blud)  
After I let man bounce off my name (gwan)  
I play fair, they don't play the same (nope)  
Make an MC bounce along like Wayne (move)  
Man don't care about snakes in the grass (nope)  
Big man ting, I've had snakes in my yard (mad)  
Look out for man that'll stab you in your back (back)  
Look out for man that'll stab you in your heart (trust me)  
But don't worry 'bout me, I'm fine (ayy)  
Give me dat style, that's mine (teef)  
Pad, pen, I did time  
Now having bars like mine is a crime (oh God)  
Battles that I face in the game  
Ain't nuttin' but tests for my brain (normal, normal)  
I'll take an industry fave  
Test out my lyrical aim (boom)

They don't wanna see me onstage  
See a soundboy get blazed  
Crowd go sick, insane  
By now, you know the name  
They don't wanna see me onstage  
See a soundboy get blazed  
Man go sick, insane  
By now, you know the name
