Skeletons (Interlude)

Chipmunk

How many girls have you slept with? (Oh, oh, oh)
One day you'll be somebody's parent (Oh, oh, oh)
When you love yourself, I'll respect it (Oh, oh, oh)
Yeah, I'ma teach you what love and respect is

My auntie told me I'm carrying walking zombies
From the females I let on me
All the times when I could not sleep
And if you're anything like me, girl (Hmm-hmm)
You wouldn't want anybody like me, girl

Wish I could delete your past (Oh, oh, oh)
I really wish I could delete your past (Oh, oh, oh)
Wishing that you never lied when I asked (Oh, oh, oh)
But it's nothing that I wouldn't put past

How many girls have you slept with? (Oh, oh, oh)
Slow down, you're somebody's parent (Oh, oh, oh)
When you love yourself, I'll respect it (Oh, oh, oh)
Yeah, I'ma teach you what love and respect is
How many guys have you slept with? (Oh, oh, oh)
How many didn't use protection? (Oh, oh, oh)
You lie to my face, why so selfish? (Oh, oh, oh)
Tryna teach you what love and respect is

Mummy say I need to slow down (Down)
It's kinda hard, mummy, this generation's wild (Hmm-hmm-hmm)
Look how beautiful your grandkids look
But not one of them are mine, come shook (Come shook)

I wish I could delete my past, Lord knows (Oh, oh, oh)
I really wish I could delete my past (Oh, oh, oh)
At least I never lied when you asked (Oh, oh, oh)
Really wish we met each other in the past

How many girls have I slept with? (Oh, oh, oh)
One day I'll be somebody's parent (Oh, oh, oh)
When I love myself, we'll be selfless (Oh, oh, oh)
Yeah, then we'll know what love and respect is
How many girls have I slept with? (Oh, oh, oh)
Wishing I hadn't used protection, oh, oh (Oh, oh, oh)
I won't lie to your face, I'm not selfish (Oh, oh, oh)
Tryna teach you what love and respect is
