

Lemons

Uh!

Wedding Cake Gelato
Blue Chevs I'm Sparko
From you see me in my shades I'm high
He had some regular weed
Some Lemon AMI or Cheese
I told him hit one of these and get right
Chillin' watchin' Narco
Big zoot I'm Sparko
Feet up on a Friday night (Lounging)
I get high with my homies
I get high on my lonely
Smokey I'm on a Friday vibe

Birthday give me Wedding Cake yea loud (uh)
Just turned 28g that's a ounce (uh)
Neighbours complainin' cah it's always so loud
Thats the music and the weed yeah they know when im about (uh)
Monday when she hit me plane mode in the clouds (uh)
Friday now an shawty wan link said I'm down (uh)
Boujee little baddie started moaning bout me smokin'
Baby hate the smell of weed you better go back to your house (uh)
Cancel that jawn and call up a next chick (uh)
Nuttin' like a big spliff, neck and Netflix (uh)
Start with your food you haffi shot a next ting (uh)
Cali in the country got some shottas extinct (uh)
Used to smoke Amnesia had to leave that in the past (uh)
Might forget your birthday still remember all my bars (uh)
Women like weed got different flavours on me dawg (uh)
Crush dat strap dat light dat bark up

Hopped out the ride see the smoke from the car dawg
Chippy I'm a star dawg Cali over star dawg
Niggas wanna start arms too high for that (uh)
I dont wanna talk I get too high to chat (uh)
Shottas can't give me shy food my names Chippy
If it's light for the price boy I got my own digies
Chip you ain't a trapper though how you know this weed stuff
Niggas can't bump me only through a speaker
If you love bill spliff keep a bill kit
I never ever ask a nigga if he's got Chip
I hit this dank they say it's bad for my health but

No ones got me like I got myself (uh)
I don't really see myself quittin' these times (nah)
I can see me 70 two three fives (uh)
Women like weed got different flavours on me dawg (uh)
Crush it then we strap it then we light it then we bark up
