She say she wan' fuck in a car, my style dat
Trust me ah my style dat
She say she wan dweet pon di beach in a sea
You likkle freak but ah my style dat
She say she wan' ride all night
So me tell her say yes ah your style dat
But if ya wan video every time me ah beat
Me nuh dweet, cause a nuh my style dat

Listen, I heard through the grapevine
You can really wine up your waistline
No Wi-Fi, give me FaceTime
Reverse the ting now and take time
Why don't you tek off and leave him
And tek off your G string to these strings
Morning time, night time or evening
Gyal, you got that someting I'm needing

She say she wan' fuck in a car, my style dat
Trust me ah my style dat
She say she wan dweet pon di beach in a sea
You likkle freak but ah my style dat
She say she wan' ride all night
So me tell her say yes ah your style dat
But if ya wan video every time me ah beat
Me nuh dweet, cause a nuh my style dat

You are di best, take off ya dress
Cover me, kiss up your neck and get your body caressed, oh yeah
Nuh bother me, done inna best
Even though me know say is yuh lovin is sex, oh yeah

Kiss on yuh chest, take 'way ya breath
Come mek we bill up an uh while you give me neck
Got your hips on mine, mek the stiff something rise
So she say "Mr Wolf, what's the time?"

She say she wan' fuck in a car, my style dat
Trust me ah my style dat
She say she wan dweet pon di beach in a sea
You likkle freak but ah my style dat
She say she wan' ride all night
So me tell her say yes ah your style dat
But if ya wan video every time me ah beat
Me nuh dweet, cause a nuh my style dat

This for any gyal just dance and do something wey yuh like nuh
Could you mind if I drive, while ya ride too?
Woah, whoa, I'm liking you
No, no, trust me, I won't judge you

She say she wan' fuck in a car, my style dat
Trust me ah my style dat
She say she wan dweet pon di beach in a sea

You likkle freak but ah my style dat
She say she wan' ride all night
So me tell her say yes ah your style dat
But if ya wan video every time me ah beat
Me nuh dweet, cause a nuh my style dat
