

Then And Now

Chipmunk

From the age of 10 I used to do a paper round
Just so I could see the paper round
So I could splash in the porno shop
And buy sweets till my teeth would rot
I used to play football, I used to like dancing
Man I tried everything- even karate
After 5 years I had to pull it,
Caah blackbelt can't teach you how to dodge bullets
I never knew what I wanted to be
But I knew what the man above wanted for me
They said Jehmal your smart enough to be a doctor, or a lawyer
But fuck that them jobs are boring!
And footie's getting dry like raving,
But shout out to craig hes some other kind that made it
I don't know my profession yet- quite
But one day I'm gunna get signed

Just write the check,
I'm out here spending money so I gotta make it,
Rest to make it
Things are different so
Don't you take this shit for granted
When the money's in your hand yeaah

My big bro's Mcing now
I might have to try this out
And Dizzee Rascal's on tv now
Shit, this could be my way out
Good at English but I hate reading
Good grades, just a few exclusions
My story's inspirational
And with the right help I can execute this out to the nations
Or my words can lock down the pavement
Skip jammies basement, eskimo dance aside,
Winding take it straight to the big stages- That'll be amazing
But damn I gotta make some
I'm doing it independent, spent before you make some
Think I know my profession now guys- damnn I got stars in my eyes

Just write the check,
I'm out here spending money so I gotta make it,
Rest to make it
Things are different so
Don't you take this shit for granted
When the money's in your hand yeaah

If you ever knew what was getting sold
Just so we can pay for videos
8R from the bottom we roll
So when the cheques came the first hundred bags got blown
Shout at to boy better know, me and skeppy from the north side we charted on
our own
So they approached us, we never approached the majors
And now look, we majors

Just write the check,
I'm out here spending money so I gotta make it,

Rest to make it
Things are different so
Don't you take this shit for granted
When the money's in your hand yeaah
