

# Until You Were Gone

Chipmunk

Oh whoa oh oh oh oh oh oh  
Oh whoa oh oh oh oh oh oh oh (C.M)  
Oh whoa oh oh oh oh oh oh oh  
Oh whoa oh oh oh oh oh oh oh  
Check

If I had all the money in the world  
I still couldn't buy me a brand new girl (Alright love?),  
Too much clubbing, not enough loving  
Too much shopping, too busy chasing this thriller  
Who's now took a lost on your winner  
Sitting there singing this song like  
You never know what you've got 'til it's gone like

Damn, I wish I would've seen it coming  
Cause I blink for a second and you caught me slipping, Oh, Oh, Oh  
Now we're done before we even started  
Didn't know how much I missed you  
(Didn't know how much I would miss you  
I messed up the perfect picture)  
Until You Were Gone, gone, gone  
Until You Were Gone, gone, gone  
Until You Were Gone, gone, gone  
I didn't know how much I missed you  
Oh whoa oh oh oh oh oh oh oh  
Oh whoa oh oh oh oh oh oh-oh

Let me go, Yeah

And look still I'm here  
She left me with no idea  
I just don't get it, it's kinda weird  
How you took off quicker than my career. it's kinda left  
It took a wrong man to admit he's wrong  
Still can't do it, I just put it in a song  
So don't correct me, I know that I'm wrong  
(I just need love)  
I'm too stuck in my ways,  
And I know this ain't helping me change  
And I'm sitting here singing this song like  
You never know what you've got 'til it's gone like

Damn, I wish I would've seen it coming  
Cause I blink for a second and you caught me slipping, Oh, Oh, Oh  
Now we're done before we even started  
Didn't know how much I missed you  
(Didn't know how much I would miss you  
I messed up the perfect picture)  
Until You Were Gone, gone, gone  
Until You Were Gone, gone, gone  
Until You Were Gone, gone, gone  
I didn't know how much I missed you  
Oh whoa oh oh oh oh oh oh oh  
Oh whoa oh oh oh oh oh oh-oh (Whooa)

Let me go, Yeah

I'm too stressed and I'm trying not to flip  
I close my eyes and you're beside my lips  
So I try not to blink for one split sec  
Cus she bought in, and got my piece wrecked  
Since you left, nothing ain't right  
Two different ways, we have to part sides  
It's a long sighting, y'know, It ain't the same when you went missing  
Didn't know how much I missed you until you were gone, gone, gone

until you were gone, gone, gone  
until you were gone, gone, gone  
until you were gone, gone, gone

I didn't know how much I missed you  
(Didn't know how much I would miss you  
I messed up the perfect picture)

Damn, I wish I would've seen it coming  
Cause I blink for a second and you caught me slipping, Oh, Oh, Oh  
Now we're done before we even started  
I didn't know how much I missed you

Until You Were Gone, gone, gone  
Until You Were Gone, gone, gone  
Until You Were Gone, gone, gone
